

## The Living Word Outdoor Drama Presents... The Sound of Music

**2 Day/1 Night packages in August & September 2010  
From \$119 per person**

The Living Word Outdoor Drama journeys back to the days of Jesus Christ where you witness the telling of His life, from His teachings, trials, crucifixion and His triumphant resurrection. However, for three Sundays in August and three Sundays in September the site is transformed to the time when a former nun leaves the convent to become governess for a wealthy Austrian widower who has become a cold disciplinarian to his children. Before long the nun enlightens the children with the wonders of life and the joys of music in "The Sound of Music".

When a postulant proves too high-spirited for the religious life, she is dispatched to serve as a governess for seven children of a widowed naval Captain. Her growing rapport with the youngsters, coupled with her generosity of spirit, gradually captures the heart of the stern captain, they marry. Upon returning from their honeymoon they discover that Austria has been invaded by the Nazis, who demand the Captain's immediate service in their navy. The family's narrow escape over the mountains to Switzerland on the eve of World War II provides one of the most popular was musicals of all time.
