

FOR LOCALS ONLY.

NO LINES, NO HASSLES... NO BRAINER.

The Cambridge/Guernsey County Visitors & Convention Bureau invites you to partner with us during National Tourism Week **May 8-16**. We would like to remind our Guernsey County residents of all the wonderful opportunities that await them in their own backyard by becoming a tourist in their own town.

It's easy to participate! During that week, all you have to do is discount your admission ticket, sales receipt, or fee by at least 30% in honor of the VCB's 30th anniversary. Each participant will be listed in our press releases, placed on our calendar of events page during the week, and will receive signage indicating to Guernsey County residents that you are open for business and welcome them to visit. When they do visit, just ask for proof of residence then give them the discount!

This is also a great opportunity to education our local folks about your business so that they can bring back visiting friends and relatives this summer. So what are you waiting for? Join us today!

Deadline to participate is April 16, 2010. Simply respond to this e-mail.
