

A Getaway For The Boys

It's a primal call that harkens to a man's soul. It is the call of the untamed, adventurous, great outdoors. Women may have the corner market on weekends at the spa, but men have their own getaway retreats. Guernsey County's plethora of woodlands, lakes, streams, and challenging golf courses make it the ideal spot for a manly man's getaway.

Great Grub

Any manly man's retreat demands great grub. Before checking in to a hotel or cabin, before unloading the truck or SUV, you have to get to the **Downtown Arena!** The premier sports bar in Cambridge, this local spot features flat screen TVs, great food and service, along with live music.

Bunk House vs. Camp Fire

When it comes to sleeping arrangements, a bunk house versus pitching a tent is a tough choice. With places like Bagpipe Farms and Seneca Lake Campgrounds, you can only begin to imagine the fantastic stories you'll take home.

Bagpipe Farms is situated on 250 acres of stately,

secluded woodland. The Bunk House contains two completely furnished (handicap accessible) units that are designed especially for the avid outdoorsman. After spending the day hunting, fishing, or hiking, this is the place you'll want to come back to for a night of poker and beer. The Bunk House, a non-smoking facility, is conveniently available to rent for a night, week or even month long retreat.

Oh, but for those that need to feel the dew on their brow or welcome the sunrise from their sleeping bag, then the **Seneca Lake Campground** will provide your clan of rough and tumble men the rustic setting you are seeking.

If you go RVing, the **Spring Valley Campground** offers the creature comforts of a home-away-from-home surrounded by the natural beauty of Guernsey County.

Off Road Adventures

A little dirt never hurt anyone. Guernsey County now offers a system of ATV and dirt bike trails just 15 minutes East of I-77 on St. Rt. 22 at the Bushy Fork ATV Park. The trails range from a smooth, pleasant ride for beginners to a more rugged terrain for experienced riders. Riders can decide if they want to cross a creek, climb a hill, splash through a mud bog, ride in the hardwood forests, practice their skills on a motocross track, or simply enjoy the view.

We've Got Game

Whether you're out on the hunt for massive Elk, waiting for the fish to bite, or in hot pursuit of that perfect golf score...Guernsey County's got game.

Nestled in its rolling hills and dales lies the **Hill 'N' Dale Elk Farm**, a family owned and operated farm for more than 140 years. A large herd of registered Rocky Mountain and Manitoban Elk roam freely on the 160 acres of wooded terrain and offers both novice and advance hunters the opportunity to hunt by bow, muzzle loader, rifle or pistol.

After the thrill of the hunt, it may be time to cast your reel. Ohio's third largest lake, **Seneca Lake**, is right here in our backyard. Consisting of 3,550 acres of water, Seneca Lake is best known for channel catfish, flathead catfish, bullheads, white bass, striped bass, largemouth bass, crappie, bluegill, yellow perch and walleye. Fishing from shoreline or boat is permitted, though there is a 399-horsepower limit for boat motors on the lake. Wave Runners, pontoons, speed and fishing boats are available for rental.

Another great fishing opportunity is through a membership at **the Wilds**, an innovative wildlife conservation center. In partnership with Mad River Outfitters, a fly-fishing shop and guide service, the Wilds offers an exclusive fly-fishing experience on some of the 150 lakes and ponds teeming with huge bass, bluegill and catfish. The Wilds sits on 14 square miles of reclaimed mine land that is now home to

rare and endangered species from Asia, Africa, and North America. Visitors may also enjoy a Safari Transport tour through the open-range animal areas.

A visit to the region isn't complete until you enjoy a game of golf on the velvet green fairways of **Whiskey Run Golf Course**. Located among sparkling ponds and streams, Whiskey Run is on the headwaters of Seneca Lake and offers a challenging par 70 course.

With names like Bagpipe Farms, Whiskey Run Golf Course and the Wilds...you'll have plenty of trophy stories to take home.
